ENGLISH

COURSE OUTLINE

INTRODUCTION

English has been gaining greater importance for global communication. It is no longer just a library language but a language of opportunities. Considering the requirement of the students to face the challenges of the competitive world the school has introduced skill based learning which provides classroom environments where independence, thinking skills, collaboration and active learning are developed at the same time as knowledge is acquired.

The **Third Standard** Syllabus Includes

- **Listening:** Activities like listening phonemes, poems, stories, conversations and so on help the students to improve their listening and comprehension skill.
- **Speaking:** Story narration, recitation, picture comprehension, general conversation and so on help the students to communicate effectively.
- **Reading:** Reading words with proper pronunciation, reading sentences and passages with appropriate stress, intonation and with correct pauses help the students to read fluently and to comprehend the text.
- **Writing:** Writing words, framing sentences, writing composition and so on help to strengthen the students' writing skill.
- **Grammar:** The Grammar Tree provides a good number of exercises that helps the students to practice Grammar which helps in developing the language skills.

OVERALL OBJECTIVES

- To enable them speak English fluently and accurately.
- To read the text with proper pronunciation, intonation and stress.
- To provide practice in writing using appropriate grammatical structures.
- To develop their ability of comprehension, expression and appreciation of the language.
- To enhance the students' vocabulary to their proficiency in reading, listening to general texts, writing and speaking.
- To help them understand the school subjects and matters that life brings to them.
