ENGLISH

COURSE OUTLINE

INTRODUCTION

English has been gaining greater importance for global communication. It is no longer just a library language but a language of opportunities. Considering the requirement of the students to face the challenges of the competitive world the school has introduced skill-based learning which provides classroom environments where independence, thinking skills, collaboration and active learning are developed at the same time as knowledge is acquired.

The Fourth Standard Syllabus Includes

- **Listening:** Activities like listening phonemes, poems, stories and so on help the students to improve their listening and comprehension skill.
- **Speaking:** Story narration, recitation, picture comprehension, general conversations and so on help the students to communicate effectively.
- **Reading:** Reading words with proper pronunciation, reading sentences and passages with appropriate stress, intonation and with correct pauses help the students to read fluently and to comprehend the text.
- **Writing:** Writing words, framing sentences, writing composition and so on help to strengthen the students' writing skill.
- **Grammar:** The Grammar Tree provides a good number of exercises that helps the students to practice Grammar which helps in developing the language skills.

OVERALL OBJECTIVES

- To enable students speak English fluently and accurately.
- To read the text with proper pronunciation, intonation and stress.
- To provide practice in writing using appropriate grammatical structures.
- To develop students' ability of comprehension, expression and appreciation of the language.
- To enhance the students' vocabulary to their proficiency in reading, listening to general texts, writing and speaking.
- To help students understand the school subjects and matters that life brings to them.

PREREQUISITES

The Fourth standard students must have the basic competence of language learnt in the previous classes.
