Dear Sir,

Sub: Allotment of a locker.

I, \_\_\_\_\_ of Standard \_\_\_\_\_ request you to allot me a locker in the school wherein I will be keeping material required for my Academics and other necessary things required in my school activities. I assure you that I will keep it clean and at the end of the Academic year, I will hand over the keys to the authority concerned. If the allotted locker is found dirty, I agree to pay the maintenance expenditure. Kindly do the needful.

Thank you,

Yours faithfully,
