Bunny Rabbit, Tittu Tortoise and Dolu Duck lived in the same forest. Bunny played only with Dolu. This made Tittu very sad. One day, Bunny fell into the pond. Dolu jumped into the

pond to help Bunny. But he alone could not lift Bunny. Then Tittu immediately came to rescue and helped Dolu to lift Bunny out of the pond. From then on, all became friends and played together.

## Friends are everywhere

Little Naysa did not want to go to school today because her best friend Mira had moved to another school. Naysa missed Mira very much and so she sat in the class sadly.

When Naysa looked at Mira's seat she felt like crying. In her sorrow, Naysa dropped her pencil. A little handpicked the pencil up for her. Naysa looked up, and saw a smiling face, it was Rosy. Naysa thanked her for picking up her pencil. As she was always with Mira she

had never talked to Rosy. Naysa smiled back at Rosy, they started talking. Naysa soon realized that friends are everywhere, you just need to see and be good, to find them!

## Tinku and Loffy

Tinku and Loffy were going on a trek. On their way, they came across a big hill. "Let's rest before climbing it," Tinku said. "No, I am going to climb it now. It's easy for me," Loffy boasted. Loffy started climbing the hill, after sometime, he felt exhausted. It's easy to say something, but much harder to do it, Loffy thought, as he sat down to rest.

## Hungry Binny

Once Binny Bee was hungry and he asked Kriki Caterpillar for food. Kriki gave Binny some leaves, "I don't eat leaves",

Binny sadly said. Then she asked Tinnu Tiger, he gave Binny some meat.

"No, I don't eat meat", Binny said. The tired and hungry Binny fell down, "Wow, it smells like tasty honey!" Binny exclaimed. That's when she found that she fell into a flower. "The honey is what I love the most," said Binny and happily had his fill.
